" 20 Sam & J. Milne again for
hay today. A nice warm day
wind from N.W. but not
strong & sun shining warm.

" 21 A beautiful warm day Sam warm
wind west all day. Sam & Milne but
hay. I went for Oak Lake with the cattle

(31)

1893 Wind east all day & snowing
Jan 23 same, sometimes storming
so that we could only see a
short piece away. Sam &
Julius away for hay today
hwt. have two big loads.
Reuben & I went to Oak Lake
in afternoon. Roads very heavy.
not storming much tonight but
wind still east

" 24 A cold day wind west & blustering
Julius came over this morn & helped
us unload the two loads of hay
wind was north then in morn.
& Jim froze his face on stacks, so
it was cold. I went up to Repress
school tonight & joined Patrons of
Industry lodge ten of us
joined. I got home at twelve
o'clock. Sam went to Concord at
Oak Lake

(32)

1893 Wind north all day and
Jan 25 fearful cold I believe we
have had nothing worse this
winter and tonight it is hardly
safe to go out. Sam drew straw
from stacks before noon &
went to hi Inos for load
afternoon, I got Reuben's sleighs
& went to Oak Lake afternoon.
Sam froze his heel today

" 26 A fearful cold morn, wind
north west R.R. Hindlay & I
went to Oak Lake this afternoon
& went to Vidua on train to attend
County meeting of Patrons of Industry
" 28 R.R. Hindlay & I got back
from Vidua today, snowing when
we got up this morn. Kept
it up until noon, sun
shining brightly since.

(33)

1893 Wind east all day and
Jan 30 hazy, the worst day with
out any exception I ever was
out in, Sam froze his face
a dozen times today, and
had to move into shed to cut
wood. I went to Oak Lake
afternoon and had a job to
keep from freezing on
road home

Jan 31 About as bad a blizzard
today as I ever saw, wind NE,
this morn then got around to
N.W. Could not see two hundred
yards most of the time & fearful
cold, we were afraid to keep on
dry furs & so suffered more
with cold in the house than
ever before I think. Sam
sleeping on floor in room
tonight

(34)

1893 A nice day after the storm
Feb 1 yesterday big snow drifts
all over today, only a foot of
and pump above snow
this morn. a drift four
feet deep from here to
stable, wind cold from SW
all day but sun shining.

" 2 Began blowing from east
last night after we got to
bed, and kept it up all
night, this morn. we could
hardly see the stable
blowing from east stopped
about three o'clock this
afternoon, piled the snow
up in good shape again
wind N.W. tonight. Sun drops
& circles around sun today
& lots around moon again
tonight

(35)

1893 Wind NW when we got up
Feb 3rd this morn. & drifting so we
could hardly see stable. Kept
it up until four o'clock, when
wind stopped cold & clear
tonight, fearful drift between
house & stable nearly impossible
to go down. Sam went to Mas-
Kawata for mail today, only
one mail in this week.

"4 Blowing hard from east
all day & drifting, saw down
a few loads of straw before
noon & went to Oak Lake
for mail afternoon, still
blowing from east this has
been a whole week of
storm, hope to find out
it is stopped and never
starts again.

(36)

1893 Began blowing at eight
Feb. 6 this morn. & kept it up
all day wind from NW

all wire at noon he put
ground under fence after

(94)

1893 Sam broke all day with three
June 29 horses. We got calves out to-
day & will try & get hogs out
tomorrow. Keeping dry things
burning up, if no rain
very soon we will only have
about ten bushels per acre
again like last year
"30 Cloudy & cool all forenoon
began raining at noon & kept
it up until three o'clock
a good steady shower we
caught a half a barrel on
east side of house, it will
do thousands of dollars worth
of good. although we could
have taken twenty four hours
of rain like that & not had
too much. We got pigs out into
pasture today.

(95)

1893 Jake & I went to Oak Lake
July 3 this morn. to see sports there
they did not commence until
afternoon, we got back tea at
night. Sam plowed until noon
then came out. Wind strong from
N.W. all day two heavy showers
went north today thundered
a good deal, but only a few
drops fell here, heard today
that a Harney had wheat shot
out.

went to fix a bad place. Jake
drew manure on to fallow
all day. I fixed harness & went
to Oak Lake with Maggie in
evening had tea at W. Co. Rained
a small shower at noon
but not enough to lay
dust. Wind N.E. all afternoon
& very cool. I had to borrow
W. Co. overcoat to come home.
We never needed rain much
more about half of wheat
shot out it would come in fast
if we had wet

(1102)

1893 A very hot day a very slight
July 17 breeze from west. Maggie & I
went south of Oak Lake to Mr.
McLeish's pasture looking for
straw berries & got some at seven

to Oak Lake tonight. Wm Johnston
& I worked at separator all day
& did not finish it yet.

" 7 Warm & mild until noon wind
rose then from S.W. & blew very hard
as warm as if it was off a furnace
Kept that up for about three
hours a fearful time between
hot sun & hot wind nearly im-
possible to live. About five
wind turned due west, & blew a
hurricane until sun down, some
times so much dust blowing
you could hardly see a hundred
yards. Wm A. Dobson & Mrs. H. Grainger
here for tea. W Johnston & I worked
at machine all day. Saw fixed race
fore noon & backset after, Jake at
W Johnston

(111)
